

INDUSTRY CAGE UPGRADE WORKS

To improve facilities for our port tenants, Port of Melbourne Corporation (PoMC) is upgrading the Industry Cage.

For your amenity, screening will be in place throughout the upgrade. Works will include:

- Fence repair
- Minor excavation & import of clean fill
 - Grading & re-asphalting
- Automatic security access controlled gate & fencing
 - Improved drainage
- Clean-up of the site & pipeline track.

Upgrade works are scheduled for completion in June 2008.
